

**Training and Certificate Distribution - Chaudhary Charan Singh University and  
Minin University are working in collaboration to provide free Russian language  
training**

Chaudhary Charan Singh University, Meerut (U.P.) is one of the premier universities of India which is constantly making a rapid progress in the field of academics, sports, cultural pursuits, research and technology, patents, innovations and towards Internationalisation. Minin University is one of the top three pedagogical universities in Russia. Minin University, within the framework of the project of the Ministry of Education of the Russian Federation to promote Russian language abroad, opened the Exchange Centre for teaching the Russian language at Chaudhary Charan Singh University, Meerut. Prof. Ludmilla Ivanovna Simonenko, from Minin University, Russia was appointed as the Visiting Russian Faculty in the study Centre. Prof. Liudmila is not only an expert in her subject but is also an efficient and hard-working teacher. This is her friendly nature and skill to reach out to all students that made it easier for our students to learn an entirely new language effortlessly.

This short-term course, of 15 days/36 hours duration, is a complete course wherein students were imparted knowledge about Russian culture and language. The classes were held regularly at the Centre in two batches. The course became an instant hit soon after its launch. Numerous applications from students of the various departments and courses were received. We are pleased to announce that the course has been successfully completed for seven batches. 150 students were registered and have been certified for the course. Looking at the outstanding response and interest of the students, no wonders if both the Universities may launch upon a new course soon.

It is also pertinent to mention here that during her stay Prof. Liudmila has organised training programs at other Universities and institutes of India. 60 students from University of The Maharaja Sayajirao University of Baroda, Vadodra (16- 22 October), 30 from Sharda University, Noida (30 October-5 November), 39 students from Delhi University (10- 16 December) and almost 181 students from JNU (9 – 22 October, 25- 30 October) have been successfully trained by her and her colleagues.
