

Ch. Charan Singh University, Meerut
Department of Genetics & Plant Breeding

Advertisement for the Posts of JRFs

Applications are invited for the positions of two JRFs sanctioned under the following research project recently sanctioned by Department of Biotechnology, Govt. of India for a period of three years:

“Pyramiding of Rust Resistance Genes into High Grain Quality Wheat Lines Developed Through Marker-Assisted Selection” (Project Advisor: Professor PK Gupta)

Eligibility: Candidates should have Master’s degree in any area of Plant Sciences and should have qualified NET (those having a 4 years professional Bachelor’s degree like B.Sc. Ag. are exempted from NET);

Desirability: Those having a degree in Genetics and Plant Breeding and experience in the area of molecular markers and marker assisted selection (MAS) will be preferred.

The candidates having B.Sc. Ag. degree and appearing in final year examination of M.Sc. Ag. (Genetics and Plant Breeding) may also apply.

How to apply: Applications for the posts of JRF with complete bio-data affixed with a passport size recent photograph may be sent through email to Prof. Pradeep K Sharma (pks264@rediffmail.com) latest by **11.00 am on June 15, 2018**.

The interviews for the above posts will be held **on June 15, 2018** (Friday) from **11.00 am** in Department of Genetics and Plant Breeding, CCS University, Meerut. No interview letters will be issued and no TA/DA will be paid for attending the interview. Subject to prescribed rules, the selected candidates may also be enrolled for Ph.D. programme under the Principal Investigator.
