**(J) MAJOR RESEARCH PROJECT: ONGOING**

Sponsored by-  
Dept. Of Science and Technology (NRDMS), New Delhi  
Period- 2016-2019  
Grant Sanctioned- 12.043 Lakh  
Title- Impact of Non-farm activities on generation of employment and eradication of poverty among SC population in Uttar Pradesh-An Empirical Study

Parts of the Study-

1. The study of Manual Scavengers in Meerut District.
2. The study of Gur makers and Brick makers in Muzaffarnagar.
3. The study of persons involved in wood carving and food processing in Saharanpur.

Basic objectives-The study is to be conducted in two blocks of Each district. From these blocks, two areas/villages have been finalized for the study. From each area/village, 25 manual scavengers (male and female) have been selected for the study to fulfill the following objectives-

- To examine the health status of selected SC/ST respondents such as manual scavengers/cricket ball makers/Gur Makers/persons engaged in wood carving and food processing from selected districts in western Uttar Pradesh.
- To provide some professional interventions like masks, gloves, shoes etc to the selected respondents.
- To examine the implications of these interventions on the income and employment status of selected beneficiaries.
- To examine the pre and post interventions on the health status of selected beneficiaries.
- To organize workshops/seminars for the awareness of these interventions for the selected groups of the respondents.
