Invitation

Dear Researchers, & Colleagues,

The Department of Sociology, Chaudhary Charan Singh University, Meerut is organizing a “Three-Day Workshop on Basics of SPSS” from 15th to 17th February 2024, which I am sure, is going to be a milestone. The workshop will have a plenary and lead lecture followed by hands-on training. The workshop shall be focused on the tools, techniques and practices of SPSS.

On behalf of the organizing committee, I extend a cordial invitation to participate in the workshop.

Prof. Alok Kumar
Convener & Organizing Secretary

About The Workshop

SPSS (Statistical Package for the Social Sciences) is a software program used by researchers in various disciplines for quantitative analysis of complex data. This introductory level SPSS workshop introduces SPSS environment, basic data preparation and management, descriptive statistics, and common statistical analysis (T-test, ANOVA, correlation, regression), etc. Hands-on-activity with example data is provided to learn these basics. This workshop is a good start for people who are new to SPSS and help you harness this useful tool of analysis.

Objectives:
