

Inspiring the
next generation
of **women to be
empowered**

WAVE Summit 2020
31st March & 1st April | MNIT Jaipur

 Hurry, Registration closes on **29th February 2020**

Here is an opportunity for your **Women Students** to take up
Entrepreneurship in Waste Management!

5000+ student delegates are expected
to attend the **WAVE Summit 2020**

150 Established Women
entrepreneurs from
various parts of India will
mentor the delegates

Separate one year
handholding of successful
selected women students
for training, internship will
be provided

Experts in the field will provide insights on
technology, ideas of entrepreneurship,
investment schemes, opportunity for
loans, legal provision and special skills
for sustainability of start ups

AICTE & International Institute of Waste Management (IIWM)
are jointly organising the
