NATIONAL SEMINAR
Global Theme for World Water Day 2021
'Valuing Water'
Indian Water Resources Society

Aim of Seminar: To provide opportunity to the hydrologists, research scholars, students and ultimately to whole society to understand the water and come forward with innovative ideas, latest research, results, exchange and share their views to solve complex water problems, water challenges of 21st century and its remedial measures and suggest ways to protect this 'Gift of Nature by valuing water'.

Seminar Scope and Theme: The seminar shall be focused on:

- Messaging the 'Water-Crisis', which has spreaded its wings across the Globe.
- Remedial measures for sustainability of water to next generation.
- Having main bearing on reduce, reuse, recharge, recycling and respect of Water to focus on practical possible ways for implementation.
- Propagation and implementation of 'National Water Policy 2012'.
- Rejuvenation of rivers and other water bodies.
